- The qualifying period is from 1st July 2015 to 21st August 2016.
- The 2016 New Zealand Secondary School Championships will be swam Long Course and is for Year 9 to 13 students
- The age groups to be swum by both male and female are 13 years, 14 years, 15 years, 16 years and over. Students must be under 19 years of age on January 1 2016 to compete.

- All events are timed-finals. Events will be super seeded with the top 8 swimmers in each age group swimming together in the last heats, all other swimmers will be rank seeded.
- Male and female relays will be swam as timed-finals and in the age groups 15 & under and 16 & over. Younger swimmers can swim in the older age group, but older swimmers cannot swim down. If a 15 & under swimmer swims in the older age group they cannot also swim in the younger age group of that event. Mixed relays will be swum in the same age groups and teams must consist of 2 male and 2 female swimmers. Points from these races will not count towards top schools trophies.
- Para swimmers are eligible to swim at this championship. All those participating must have a PNZ classification, or at least a provisional classification. Forms to complete this provisional classification can be found on the PNZ website. These need to be submitted to PNZ by the 12th August. Please be aware that there is an expectation of a suitable level of swimming ability for para swimmers swimming with a provisional classification. Para swimmers will swim with the able bodied swimmers. A single age group will be used for Para swimmers with medals awarded to the top 3 swimmers and certificates to the top 8 based on their time in comparison to the world record in their classification.

- During the championship there will be skins races for male and female swimmers. The 8 fastest swimmers in each event regardless of their age will qualify for these races. If a swimmer is unavailable the next fastest swimmers will be selected. The skins races will include four heats for each event, with the slowest two swimmers dropping out after each heat, leaving the final race with two swimmers. There will be a 2 minute delay between each heat. There will be prizes for the top three place getters in each event.
- There will be top school trophies for the top point scoring male and female schools. Co-ed schools with both male and female swimmers will be eligible for both trophies.
